

Eligibility for Award Nomination and Requirements Process

1. Employees of Pump Centre member companies and employees of non-member companies who work closely with Pump Centre member companies (e.g. contractors, consultants etc.) are eligible to apply.
2. All nominations must be endorsed by a representative from a Pump Centre member company.
3. Each Pump Centre member company can nominate or endorse up to 3 young engineers in each award category.
4. The endorser and nominator can be the same person.
5. The nominator must have known the nominee in a working capacity (e.g. manager, team leader, foreman etc.) for at least one year. The nominator does not have to be an employee of a Pump Centre member company.
6. The nomination form must be completed in full by the nominee, nominator and for non-members be endorsed by a Pump Centre Member.
